The Dimmer VIEW

BY MAX GOODWIN

In a combined efort of the Parent Education Group of the Lemon Grove Junior High P-TA, and the entire student population of the school, a Juvenile Code of Ethics is in the making.

In separate brain-busting meetings the groups will attempt to set up behavior guides for junior high school teen-agers.

In the outside-school areas the groups will consider:

1. Parties — rules, chaperon, conduct.
2. Movies — companions, dress, time, conduct.
3. Telephone — length and frequency.
4. Home — duties, chores, behavior.
5. Allowances — earned or given, amount.
6. Grooming — haircuts, jewelry, curlers, clothing.
7. Friends — bringing them home, overnight visits.
8. Dating — or going steady and when?

In the at-school are consideration will be given:

1. Conduct — with substitute teachers.
2. Dances — conduct and courtesy.
3. Tardiness.
4. Familiarity — arms around each other, exchanging jackets.
5. Disputes — method of settling.
6. Assembly—conduct and program suggestions.
7. Clubs — secret clubs illegal by state law.
8. Noon Dancing — Should girls dance together? Conduct of those watching.
9. After School Behavior — Go home or uptown?
10. Before School Activity — open.

Individually, these items may not seem not appear important, but put together they form a backdrop

Dr. David Wilhite Is Suicide Victim

Dr. David Walter Wilhite, Jr., M.D., 32, who conducted a general practice in Monterey Heights, was found dead in bed in an apartment at 7033 Boulevard Drive, Vista La Mesa Sunday morning.

Deputy Coroner Jesse Canale said that he died of barbiturate poisoning. An autopsy report termed it suicide. Wilhite, who was estranged from his wife, told an unidentified friend he was going to take sleeping pills because of despondency, according to Canale.

His body was found Sunday by the manager of the apartment. Dr. Wilhite was graduated from the University of Southern California. He interned in the Los Angeles General Hospital and had a residency in the Bakersfield General Hospital. He established a general practice in Monterey Heights seven years ago.

He is survived by his widow, Mary Collette and five children: Michael, 8; Gregory, 7; Christopher, 6; Lorelei 5, and David 3, all of whom live at his former home at 7676 Madison, Lemon Grove.

He is also survived by his father, David Walter Wilhite, Sr., and is the only child. His mother is deceased.

Funeral arrangements at Ryan-Sullivan Mortuary are pending awaiting his father's arrival here from Kansas City, Kansas.

Burial will be at Ft. Rosecrans Cemetery Friday the mortuary said.

Redistricting Seen For Supervisors

SAN DIEGO (CNS) — Legal opinion on how to change the boundaries of supervisorial districts is not yet ready. Deputy County Counsel Bertram McLees, Jr., told Supervisors Tuesday.

The Board wants to know whether its plans to change the districts have to be put on the ballot as a charter amendment or whether the Board itself can vote the changes without other approval.

Supervisors are planning to chnage their districts so that all Board members will represent portions of both the City of San Diego and county areas. It is believed tht such action will equalize the work load among Supervisors.

Supervisors Dave Bird and Dean Howell presently represent districts made up mostly of county areas. These present problems not faced by Supervisors whose districts are wholly in San Diego City.

The latter, Robert Dent, De Graff Austin and Frank Gibson, do not have the problems of zoning and planning that Bird and Howell do. San Diego City controls such matters, but in other areas these are mostly county problems.

By realigning the districts' boundaries, such matters will be shared on a more equal basis, Supervisors hope.

McLees promised the Board a legal opinion on the proposed changes in time for action by April 1, if action is necessary. Ballot items have to be submitted by April 1 for the June election.

PETS SLICKED FOR PARADE

Kiddies were slicking up their favorite pet this week with an eye toward Saturday at 11 a.m. when the annual Lemon Grove Pet Parade is scheduled to start moving.

Youngsters, according to Earl Nelson, president of the Boosters Club, will congregate at a lot at Pacific and Olive Streets and follow parade marshal Dell Anderson who is also committee chairman for the Jaycess, to the junior high school playgrounds where judging will be conducted.

Prizes will be given for the cutest, biggest, smallest, weirdest, ugliest, dirtiest, funniest, cleanest and best dressed pets, according to Lee Nemechek, of Food Basket Markets, who is one of the three co-sponsors of the event.

Thirty trophies have been acquired by the sponsors and these will be given as judging progresses, he said. Nelson said that horses could not be entered because of the danger of kiddies being trod upon, but everything else from tadpoles to skunks may be entered.

Nemechek said his firm would supply all the Hages ice-cream, and all the Laura Scudder potato chips the contestants could eat at judging time.

There will also be additional prizes to be given by some of the merchants offering special inducements at their shops after the parade.

Local schools have sent announcements out concerning the parade which is non-comercial.

The Boosters Club (Merchant's Division of the Chamber of Commerce, The Lemon Grove Junior Chamber of Commerce, and Food Basket Markets are co-sponsors.

PET PARADER — Paddy Leone, son of Mr. and Mrs. Joseph Leone, of 1731 Colfax Avenue, perches atop Andrew Jensen's emu in contemplation of the Lemon Grove Boosters Pet Parade to be held Saturday at 11 a.m.

The Pet Parade is being sponsored jointly by the Boosters (Lemon Grove Chamber of Commerce Merchant's Division), the Lemon Grove Junior Chamber of Commerce and Food Basket Market.
Parade will start at the corner of Oive and Pacific, travel east to the junior high school playgrunds where judging will be conducted. Prizes, trophies and refreshments are in store for contestants.

INCORPORATION CONTRIBUTIONS TO BE TOTALLED

The Lemon Chamber of Commerce will total up its resources this week at Thursday's special board meeting for establishing a starting date on the program to bring about an election on incorporation.

Ernest Newton, chamber president, said that all members would be required to turn in complete reports on collections for the campaign fund.

Jim Spears and Robert Vaught, co-chairmen of the fund raising committee said that the total last week stood at approximately $3,000, the same as it stood the week before.

Possibility of moving the chamber office to larger quarters is also being explored by nod of board members last week. In other action the chamber agreed to hear representatives of Tijuana in opposition to the border restrictions on purchases. The board first voted to ease restrictions then reversed itself and voted to hold the present restrictions.

Frenchy Faucher said that he had reached a stalemate with the gas and electric company on removal of the utility pole in the post office parking apron.

The board also approved the president's request to send representatives to the San Diego hearing on a proposed rate increase by the utility and oppose any increase.

The chamber also heard board member George Scott give a run-down on the next phase of the development of College Grove Shopping Center. He said that a contract had been signed for the eart-moving project at the huge layout "at a very favorable figure." He said he was surprised at the large number of bidders competing for the job.

Driver Education Teacher Booked On 115 MPH Speed Charge

"I was just testing the car." So said a Spring Valley man who is a teacher of driver education of the Escondido High School, after he was booked in the San Diego City Jail, Sunday, on suspicion of driving a sports car 115 miles per hour in a 35 mile per hour zone.

The teacher, Duane A. Peters, 28, of 3145 Central Avenue, Spring Valley, was released on $316 bail. It was reported he was chased for 2½ miles by National City policemen, between National City and the San Diego City limits, before he was stopped. The National City officers then radioed San Diego police.

Peters said he was going 120 m.p.h. but the National City officers said their speedometer registered 115.

Peters teaches a six weeks driver education course in connection with ninth grade social studies. It's his first year

JUDGE GARFIELD TO ASK COURT BOUNDARIES REALIGNMENT

Realignment of boundaries to bring the former Homeland Judicial District into the El Cajon Municipal Court District was recommended Friday at the Men's Club by El Cajon Municipal Court Judge Fenton Garfield.

Judge Garfield said that such a move would be "good for local residents and would serve the end of speedy justice in the East county area."

He criticized sharply the 1957 court consolidation which added the Homeland Judicial District and the Lemon Grove court to the San Diego Municipal Court District. He said that he had requested the consolidation to be made with El Cajon because it would have placed an additional judge on the bench in that presently overworked district.

Working alone, he said, his case load had become so heavy, that criminal cases are presently being set for late August although law requires them to be heard in 30 days. "Time works in behalf of defendants in criminal cases," Judge Garfield said. This dilutes justice. " There is enough work right now for two judges." He said there was more than 140,000 population in the combined judicial districts. "We have 116,000 in El Cajon district and there are an estimated 35,000 persons in the former Homeland district. State formula makes 40,000 population enough to establish a municipal court."

He also advocated a branch court to be re-established in the Lemon Grove, Casa de Oro-Spring Valley area when population increases under the El Cajon-Homeland realignment.

That consolidation with San Diego did not serve the ends of speedy justice in the east county area is indicated by the heavier case loads forced upon the single-judge court in El Cajon, he pointed out.

He said the average number of felony complaints heard prior to the consolidation was 11 each month. In January there were 15 and in February 29. Other comparisons:

Parking tickets — Average, 256; January, 784 and February, 502.

Other Traffic Violation — Average, 956; January, 1535 and February, 1646.

City Ordinance violations — Average — 30; January, 47 and February, 29.

Other Misdemeanors — Average, 56; January, 82 and February 79.

He said that is was "too much to ask to expect any judge to conduct court from 8 a.m. to 5:30 p.m." There are many hours additionally which must be given to study and private consultation, he said.

He said realignment of the districts would not add to the tax burden. He also said that it would not change the present status of Municipal Court Judge L. N. Hussey who helped prompt the legislation by which the consolidation came about and with it his upgrading from a $5,100 justice of the peace to a $16,500 a year municipal court judge. He would remain a municipal court judge. Hussey must stand for election this year, however.

Garfield said he planned to request the County Judicial Council to recommend to the Board of Supervisors that the realignment be made.

Bill Parker, Men's Club president, said that Supervisor Dave Bird would be speaker Friday to discuss supervisorial thinking behind recent salary increases given to eight elected county officials. Other speakers booked for future meetings are: Carlyle Reed, assistant to the publisher of the Union-Tribune Publishing Co., and Howard Muhleman, San Diego attorney who will run for municipal judgeship opposite Hussey.

Pancakes To Reign At Kiwanis Supper

Aunt Jemima will supply several bags of pancake flour to serve more than a thousand persons who are expected to attend the Lemon Grove Kiwanis Pancake Dinner Friday, Bob Sutton, pancake chairman said.

The Aunt Jemima firm is not only supplying all the pancake flour free of charge but is also supplying free napkins, placemats, and candy suckers for the kiddies.

The supper will be held from 4 to 9 p.m. at the junior high school cafetorium and proceeds will be used by the Kiwanis Club for youth activities in Lemon Grove.

Tickets are $1 except for kiddies tickets which are 50c. Menu consists of pancakes, bacon, sausage, tunies, syrup, coffee, milk and punch and orange juice. Guests may go back for "seconds" as often as they please. Tunies are for those who prefer not to eat meat on Friday, it was said.

Jack Durham, head of the food committee said that Folger's Coffee Co., was supplying the coffee free of charge and were also supplying the containers in which to make it. Miller Dairy is giving the milk. Durham said that Kiwanis Lt. Governor Henry Boney being in the meat and grocery business, it was no problem to see where the local club would get the meat items.

Ticket sales chairman Dr. Si Brumbaugh said the club expected to build up its Youth Activities fund by nearly $1,000. He pointed out than anyone may attend the supper and suggested that the project would afford many a local housewife an evening away from supper dishes. Tickets may be obtained at the door as well as from Lemon Grove Kiwanis members.

Kiwanis President Thad Butts said that arrangements are being made to cook as many as 10,000 pancakes. He said that a pancake flipping contest which would send the winner to the County Fair this summer, would be held during the evening.

Among other attractions will be a long list of door prizes. Donors include Dutch Cleaners, Rella's Shoe Store, Lemon Grove Camera, Lemon Grove Department Store, Cressy's Dry Goods, Helen Gauldin's Style Shop, Southland Savings and Loan, Ralph Clark's Department Store, Dyers Van and Storage, Lemon Grove Shopping Center.

Also Lemon Grove Hardware, Lemon Grove Drug Store, Montgomery's Liquor, The Angel Shop, Walters Jewelry, Lane's Mens' Wear, Brumley's Shoes, Evelyn Wigton's, Harbor Furniture and Fritz Shell Service.

L.G. Lions To Mark 10th Anniversary

The Lemon Grove Lions Club will use its meeting night this week to discuss the possibility of taking part in Lemon Grove Little League baseball projects, according to Dr. Basil Maloney, club program chairman.

Lt. Cmdr. John Gordon was inducted at the last meeting, Dr. Maloney said.

A dinner dance honoring the clubs's tenth anniversary will be held at Casper's March 29. Past International President Fred W. Smith will be speaker.

Mrs. Thorogood Elected President Of L.G. Vogues

At the regular business meeting of the Vogue section of the Lemon Grove Womans Club held recently, a new slate of officers was elected. The following women will lead the evening sections's activities for the coming club year: Mrs. Lionel Thorogood, chairman; Mrs. James Grandfield, first vice chairman; Mrs. B. G. Collier, second vice chairman; Mrs. Leonard Wingo, third vice chairman; Mrs. Glen Hines, secretary, and Mrs. Harold Stanley, treasurer. The group will be installed in special ceremonies to be held in June.

Tuesday night, at 8:00 o'clock in the clubhouse, Dr. Calvin K. Nicholl will speak to this group on the subject "Learning to See". Dr. Nicholl, local optometrist and president of the Lions Club here, has asked members to come prepared to take part in the question and answer period following the talk. Guests are cordially invited to attend.

SIGNALS WITH 'BRAINS' TO BE INSTALLED

Contract was awarded this week for the installation of traffic signals with electronic brains at Broadway and Imperial Avenues, David Bird, County Supervisor said.

Contract went to Fisher and Morse, electrical contractors, who made a low bid of $8,600. An additional $2,500 worth of material will be furnished by the county.

Installation is expected to be completed by early May.

Contract calls for 12 signal heads, according to P.H. Fowler, traffic engineer for the county. All will be on the east side of the railroad tracks.

Fowler said that several firsts would go into the Lemon Grove installation. The lights, he said, would be perpetually green along Broadway. Overhead radar equipment along Imperial will trip the signals for north-south traffic. This is the first time such an installation has been made in San Diego County.

Standards will be satin finish aluminum, another county innovation. Plush appearance and low upkeep are the basis for using aluminum, Fowler said.

Pedestrian push buttons which think for the user is another innovation. When a push-button signal lights, pedestrian may start walking and the "brain" will guarantee the pedestrian complete crossing on a green light. Present push-button mechanism at other intersections often cause pedestrians to become stranded mid-way on changing signals. "It can't happen with the Lemon Grove installation," Fowler said.

The signals will have a combination of mast arms and corner mounts.

Center To Open In Spring of 1960

Spring 1960 was revealed as the target date for the opening of the Grossmont Shopping Center, a multi-million dollar development to be built on a 100 acre site west of Grossmont Hospital and within the city limits of La Mesa.

The date, and other pertinent data was revealed by Roy Drachman, of Tucson, Arizona, co-ordinator for the developmtnt, to a luncheon audience of nearly 100 civic leaders, county officials and La Mesa city officials last week at the La Mesa American Legion Hall.

Drachman said that most of the development would be centered around the Marston Department store and that 500,000 feet of buildings would make up the initial phase and 7 to 8 millions dollars would represent the cost of land and buildings.

The development would ultimately reach 800,000 feet in size and represent as much as 15 million dollars. A medical center, an office section, a recreation section and a motel are to be added to the mercantile elements, he said.

Del Webb, co-owner of the New York Yankees and nationally known builder was also a speaker. He is in partnership with Drachman and L. C. Jacobson.

He and L. C. Jacobson who own the Del E. Webb Construction Company in partnership with Drachman, a Tucson realtor are developers of the Grossmont Center. The Del E. Webb Co. will build the center.

Others who took a bow at the luncheon were David Bird, supervisor; a representative of the Thearle Music Co., and one from the San Diego Trust Bank, both of whom will have branches there.

Williams Jenning, La Mesa attorney, presented a group of leaders of his city including councilmen, chamber and city executives. Hamilton Marston, president of the firm which will have the major retail outlet in the center told of the studies which led to the choosing of Grossmont as their first branch.

Not present but also signed up for locations at the center were Lions Clothing and Jessop Jewlers.

Elliott Cushman, spokeman for the limited partners who own the sites was master of ceremonies. He said that considerable care and time has been taken in the selection of a construction firm who could measure up to the owner's demands in quality requirements, who could meet the time schedule and who had a record of co-operation, experience and integrity as did the Webb firm.

Webb pointed out that his firm had been building homes in Clairemont for several years and were familiar with San Diego.

"San Diego is one of the best cities in the U. S. today," he said.

Mrs. Risinger said according to the report she and her husband received, the Polks were out riding with a friend on a back country road, which is traveled very little. As they were driving up a hill, a truck was coming the other way and taking up the middle of the road. The head-on collision followed.

ALONG CAMPO ROAD

By LAURA BOHM

The state intends to purchase, in the near future, a piece of ground in the Dulzura area on which to build a Fire Control Station. Cost of building will be around eighty thousand dollars. It will house two fire trucks and be manned by thirteen men.

At the meeting of the D.C.D.C. held March 1 at the school house, Garth Camp told about the 4-H Fair at El Centro where a wide new world of agriculture was exhibited in which young folks now stride with their scientific methods. Thirty members of 4-H work also attended.

Have you seen the first street sign which Dulzurians now boast, and which was erected by Charles Rasmussen? The Joe Rasmussens, John and Caroline Bachelor, and the Charlie Smalls got together and decided to name their road, "Summit Road". Now when one directs another down that-a-way, he can say "Turn left on Summit Road."

According to Scout Leader, Speedy Sanders, Troop 373 is cozily anchored in their new Den in Sandy's garage; all eleven members of them. Assisting Speedy are Clyde Adams and Jim Swoops.

You women who want to be beautiful, and can afford it, should get in touch with Mrs. Mae Shumaker, (Charlie's wife) at Jamul, she is selling Avon products.

Dulzura School will hold a boy scout pot luck dinner at 7:30 p.m. Saturday. Children will be admitted for 25 cents and adults for 50 cents . . . On February 8, Frank Braunlick traded the campus of U.C.L.A. for Air Corps Reserve. He still hopes to finish college by December . . . W. F. Humphries has returned to Nature's Art from Sharpe Memorial Hospital, seems quite pert too . . . The mothers of Dulzura school children are taking over the mission of the defunct P.T.A. . . . they've formed a club. Tom Walker is pursuing water for Georgie Allen in a brand new spot. Their down 25 feet and it's getting damp . . . Good reading for Gold Diggers are the Shirley letters from the California Mines. Lillian Camp, librarian, no whas it on her book shelves.

Water Softener Business Tops $75 Millions

A business volume of more than $78,000,000 during 1958 compared with $16,000,000 in 1948, is expected by soft water service companies, according to Virgil Stevens, operator of L. G. Culligan Soft Water Co. Some $12,000,000 of the 1958 totals will represent new equipment sales based on an international water onditioning survey just completed.

NEWMAN TO HEAD KNOWLAND CAMPAIGN

Arthur Ribbel, political writer for the San Diego Evening Tribune, has been appointed Southern California publicity director for the Knowland-for-governor campaign. Notice of the appointment was received by Ray Arbuthnot, Southern California campaign coordinator for the Knowland campaign.

PRIZE WINNING BLUEBIRDS — Here are the Lemon Grove Bluebirds (group name is "Nice") who won the county top prize for selling the most peanuts during their recent annual fund-raising event.
They are shown making doll furniture and pipe-cleaner dolls for the Camp Fire Girs birthday program to be held Sunday at Balboa Park in the Conference Building. Event will mark the 48th anniversary of the founding of the national organization.
The girls are, Carol Taylor, Nancy Collette, Janice Johnston, Mary Larsen, Nancy Budjinski and Cheryl Carlson.
The Nice Bluebirds are under the leadership of Mrs. R. J. Collette, of 2530 Bonita, Lemon Grove.

HALE AND FAREWELL — Lou Brouillard, Lemon Grove businessman and Chamber of Commerce sparkpug (Boosters Club), turns keys to his hardware store business over to Bob Rey. Rey, a resident of Del Mar, took over the store this week at 7907 Broadway which was started by Brouillard nearly three years ago.
Rey has been operating the Del Mar Pet Hospital for the past 10 years. Prior to that he was associated with the retail hardware business in other parts of the country.
Rey said he would follows the same policy in the store laid down by Brouillard. He also said that expects to move his family consisting of his wife and two sons to Lemon Grove when school is out this year. Brouillard said he and his wife Ann would take an extedended vacation trip, for perhaps as long as six months, and then he would probably turn his hardware talents to a distributorship in San Diego County. — Tappy Foto

ART SCHOLARSHIP COMPETITION PLANNED

Candidates should be 18 years of age or older, or have completed high school by June of this year. They should have a serious interest in entering the field of Arts. SERVICE CLUB PRESIDENTS MEETING TO BE HELD

The San Diego County Service Club Presidents' Council will hold its first dinner meeting of the year March 19 at 7 p.m. in the Lafayette Hotel, 2223 El Cajon Blvd., announced Dan Turner president of the affiliation of service clubs.
The council was organized in 1936 by J. Clark Chamberlain. The group's first project was a campaign to secure increased attendance at San Diego's 1936 Exposition. This year they will be asked to support a dedication program for the Padres' new home.
C. Forrest Baxter, 2925 Buena Vista, Lemon Grove, is vice president.

MUST FILE STATE INCOME TAX

All single individuals who earned $2,000 or more last year and all married couples whose earnings were $3,500 or more must file state income tax return forms, according to Robert C. Kirkwood, chairman of the Franchise Tax Board. Anyone needing help with his State income tax return should contact the San Diego office, at 530 Broadway, or call BE 2-3349.

GREEN APHIS

This is the time of the year when you're apt to have a heavy infestation of Green Aphis in your garden. The infallable rule when spraying for aphis is to spray very thoroughly, using any good contract spray. Cover the entire plant or bush structure and the surrounding soil area with your spray material.

CONTINUED CARE

You'll gradually have more aphis because what we call the "stem Mothers" are on the wing and are constantly giving birth to young. You must remember, too, that your plants are growing fast and the tips that come out today have not been protected by the spray material that you used yesterday. However, I suggest that you wash the aphis down with the hose for a few days, thus giving your plants a rest. Then spray again very thoroughly. And presently we'll have a few hot days and Mother Nature will help out because hot weather creats a natural mortality for aphis.

HUNGARIAN GULYAS

Mary Morgan

Food Basket Home Economist

To most people, the mere mention of Hungary means "goulash", since it is the one particular dish that Hungary has exported to the whole world. The Hungarian word is really Gulyas, but over the years it has become "goulash" and so it will probably remain, in the U. S., at least, forever. Beginning with beef chuck or cross rib and plentiful laden with Hungary's favorite condiment, the mildly pungent paprika, it is no wonder that the dish has become an international institution in top-name eating establishments from Maine to Budapest. Combined with "Nokedli" or Dumplings, it is a complete meal in itself, far outranking any ordinary stew or meat-medley in its class. In Hungary, Gulyas is never served without sauerkraut and is more often made of veal; in the United States, chefs continue to make the dish of beef, omitting the sauerkraut as a side dish, but always using a puffy dumpling or noodle accompaniment.

Our Recipe of the Week features a tempting Hungarian Goulash with Dumplings, the tomato "Nokedli" adding to, and intensifying the beautiful shade of red produced by sweet Hungarian paprika. Pick up your free copy at the turnstiles this weekend.

God's Minute

REV. BAKKEN

Poor is he who cannot spend a minute in the shadow of his Lord

"DENY SELF"

Our Lord admonished His disciples to practice of "Denying self." This is one of the great lessons we learn in becoming Christ-like. The "self" in us is that unregenerate part which cannot be converted. God wants us to turn away from the old "self" in us and turn to the new nature which becomes a part of us when we believe. The old "self" wants to turn us in the direction of self-gratification, the new nature of Christ in us wants to turn us in the direction of righteousness. The battle goes on within us. We decide which direction the bent of our lives shall be. Lent is a good time to permit God's Spirit to begin to bend us in the direction of God's will for us.

The Dimmer VIEW

(Continued)

against which these subjects, we feel, will help all parents recognize some of the problems that are being faced at school and at other homes.

We promise to publish the findings of these groups later in the month when the studies are complete.

There's a $2.8 millions federal works plan ready to go for job making. This is just one segment of the recession-stopping program being set up by Uncle Sam.

It is interesting to note that Rosewell Magil, chairman of the Tax Foundation, Inc., in a discussion the week before pointed out that if all taxable income in excess of $10,000 were consficated, the additional revenue would amount to only $4 billions over the present yield.

Anybody for a tax decrease?

There's going to be a tougher policy on drunks in Lemon Grove commencing right now, Hal Johnston, sheriff's deputy and Lemon Grove police force announced this week.

Officer Johnston says that until lately most of the drunks were local and he'd respect the fact that these were his townspeople so he'd give them a break. He usually takes the keys to their car, calls a cab and starts them home, often taking abuse during the process. Next day he'd return the car keys to the often contrite and usually hung-over citizen.

Evidently, the word has gotten around to lushes from all over the county regarding the splendid services offered by Officer Johnston because more and more drinking incidents are occuring lately in Lemon Grove, Johnston said.

Henceforth, he says, the rides will be free of charge, but instead of a taxi home it'll be in a patrol car to the clink.
